A E F#m D A E
 Someday you will forgive all my mistakes
 F#m D A E
 The love that I gave you was misplaced,
 F#m D A
 but it's gonna work out just fine E...

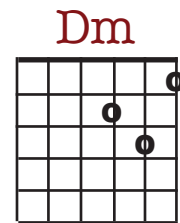

Maybe, if I try to keep what you gave me
 the battle before us will save me
 And its gonna work itself out just fine
 Its gonna work out just fine

Hold on, I just need a dream to grow old on
 I haven't a thing that I'm sold on
 But it's gonna work itself out
 Just fine
 It's gonna work itself...

D E7
 Out on a ledge with my back to the wind
 A F#m
 And the windows too small I don't think I'll get in
 D Dm
 And my lungs gasp for air as the oxygen thins
 E
 Still I reach for the moon again and again
 (E7)
 And again. ◡

Someday I will forgive all these mistakes
 And we'll quit this nuclear arms race
 And it's gonna work itself out just fine
 Its gonna work itself out in time

Its gonna work out just fine... D E (E7) A
